

## Equine Program Goals & Timeline

### 2020-2021 Plan

Goal	Timeline	Money
Sell unusable tack and buy tack best suited for the boys and current horses.	End of April	Use the money we make from selling tack to put towards more practical and usable tack
Evaluate and create a 45-day plan for our new gelding	End of April	No money involved
Look into PATH instruction workshops and programing and see if it would be worth taking a next step <b>*Look into other certifications that would benefit myself and the ranch</b>	End of April	<b>*Personally Fundraise</b>
Come up with a List of local equine references with Michael and a list of my own who we can contact for questions.	End of April	No money involved
Come up with a list of possible fundraisers <b>*List to come</b>	End of April	No money involved
Goals for each horse over the next 60 days	End of April	No money involved
Evaluate Horses and put 60 consistant days of tune up work and decide who stays and who needs to be sold or returned to original owners. <b>*Decision based on outcome of goals in previous box</b>	End of May	No money involved

<p>Sit down with each boy and create an equine plan.  What do they want to learn more about?</p> <ul style="list-style-type: none"> <li>• Riding</li> <li>• Tack</li> <li>• Anatomy</li> <li>• Certain Disciplines</li> <li>• Grooming</li> </ul>	End of May	No money involved
<p>Create a feeding routine and feed efficiency write up.  Keep costs low</p>	End of May	No money involved
<p>Fundraise for boots for all of the boys, so they have something they can work and ride in</p>	End of May	Fundraising
<p>Come up with a written plan in case of emergency. Binder will include all of the horse's info/medical records and a contact list</p>	End of May	No money involved
<p>Build obstacles and jumps based on boys riding goals to add another learning opportunity</p>	End of May	Use materials currently at the ranch or ask for donated items. Can be from barrels, to old wood, pvc, etc.
<p>Info on getting on farm tax deductible</p>	End of May	Need more info
<p>Create a summer riding plan</p> <ul style="list-style-type: none"> <li>• Trail riding</li> <li>• Fun Shows</li> <li>• Goals with the boys</li> </ul>	End of May	No money involved
<p>Map out pasture and fence off south corner. Creating paddocks and have a designated riding area/grazing area  <b>*Plans to come</b></p>	<p>End of May  Have a plan before grass is finished growing</p>	Money for fencing materials

Come up with a pro/con list if it would be worth going to Oklahoma for 2 weeks for farrier school, so I could trim our own horses	End of May	Cost of farrier school for two weeks  <b>*Personally Fundraise</b>
Build a tack shed with saddle racks/bridle Hooks. Organization cubbies <b>*Plans to come</b>	Summer Project	Use materials from the ranch and either fundraise the rest or ask for donations.
Invite Horse Professional to visit ranch and present a workshop <ul style="list-style-type: none"> <li>• Veterinarian</li> <li>• Horse Trainer</li> <li>• Farrier</li> <li>• Rodeo Competitor</li> </ul>	Summer Project/Fall Activities	Money for Gas/lodging
Volunteer at Bennies barn a couple of times a month	Summer	Money for gas
Find other opportunities to volunteer in the horse world	Summer	Money for Gas
Attend rodeos as spectators	Summer/fall	Entry fees
Come up with an Equine related Curriculum for school <ul style="list-style-type: none"> <li>• Weekly riding</li> <li>• Education</li> </ul>	End of summer	No money involved
Create a plan for Darwin's Properties <ul style="list-style-type: none"> <li>• Pasture management</li> <li>• Clean up</li> </ul>	Plan finished by summer, action to be followed time allowing	Time
Continue Education for myself <ul style="list-style-type: none"> <li>• Attend a Clinic</li> <li>• Participate in a workshop</li> <li>• Tune my skills</li> </ul>	Summer	Cost of Clinic

<ul style="list-style-type: none"> <li>Possibly take in a couple of client horses from time to time to keep my skills sharp</li> </ul>		<b>*Personally Fundraise</b>
<p>Create a plan for hay over the winter. A consistent source of hay to keep our horses on track</p>	Fall	Hopefully donated
<p>Find horse related sponsors/Donors to help build our program <b>*Grants</b></p>	Fall	Gas money for potential travel
<p>Arena</p> <ul style="list-style-type: none"> <li>120x200</li> <li>Covered Stalls and runs</li> <li>Finalize a Plan</li> <li>Game Plan for fundraising and support</li> </ul>	Spring 2021	<p>Look into cost of continuous fencing and siding</p> <p>Look into donors/grants/volunteers</p>
<p>Training Project/Investment</p> <ul style="list-style-type: none"> <li>Find a Broodmare and breed</li> <li>Adopt a BLM mustang or OTTB</li> <li>Boys involved in training a colt from start to finish</li> </ul>	Spring 2021-Summer 2021	<p>Cost of breeding and broodmare</p> <p>Cost of adoption fee</p> <p>Cost of colt</p>
Cover Arena	Summer 2021	Look into cost of materials
Keep tabs on horse market for kids' broke horse or horse with potential.	Constant	<p>Money from horses we sell or do not end up keeping.</p> <p><b>*Fundraise</b></p>
Attend sales and look into project saddles/tack	Constant	Money from selling unneeded tack

## **Long Term Goals Beyond 2021**

- Build an indoor arena
- Build a barn with stalls
- Start a breeding program
- Create a game plan for all of the land whether to use for building on or pasture.
- Continue Education: breeding management, pasture management, operations, financing/investments
- Buy Tractor and equipment to keep arena and barn maintained or create a plan to borrow one.
- Have a few boys a year compete in some type of horse event
- Invest in a truck and trailer
- Figure out Insurance once we start growing
- Join together with other organizations and run different programs or fundraisers
- Obtain feed buckets, muck buckets, pitchforks, and other maintenance equipment
